

Lobby Now Open!

We are excited to finally be able to reopen our lobby and welcome our wonderful members back!

While our lobby was closed, we have implemented new changes to better protect our staff and members. New sneeze guards were put into place at each teller station along with hand sanitizer dispensers in the lobby.

For the time being our refreshments and restrooms will be unavailable to the public. Masks will not be required to enter the lobby. However, if you feel more comfortable wearing a mask, you will be asked to lower it in order to verify identity. As always, if you are feeling ill or have flu-like symptoms we ask that you please use the drive-thru.

To help practice social distancing, we will be limiting the lobby to four members at a time. We will also be disinfecting pens after each use.

We strive to provide a safe and clean environment for both our members and staff and we look forward to reopening our doors!

2020 Scholarship Winners

We would like to congratulate our 2020 scholarship winners: Judy Yard and Madison Lavengood! Judy is currently attending Indiana University Kokomo where she is working toward her Masters in Nursing Degree.

Madison recently graduated from Indiana University Kokomo with her Bachelors in Sociology Degree. This fall she will begin working toward her Masters of Education Degree at Purdue University Fort Wayne.

As IHFCU college scholarship winners, these students were chosen based off of their scholastic standing, extracurricular activities, and a personal essay.

For the past 8 years IHFCU has been providing two \$500 scholarships per year to member students who plan to attend or are currently attending an accredited college or university. Applicants must be a member of IHFCU by December 31st of the year prior to the deadline.
